

“A Big, Fat, Beefy Book Full of Nothing But Winning Ads & Sales Letters!”

Oh yes... there are also a few articles I've written and other stuff. You asked for some samples of my writing -- here it is. Not quite every letter I've ever written (maybe 'bout half of them though.) I hope you enjoy it!

P.S. All ads or sales letters in this book have been profitable.... yes, all of them have made money for me or my clients. I hope you enjoy it.
