It's a moodmaker. Just imagine a symphony softly playing in the background as you work at your desk. Imagine catching the news while you relax in the bedroom. And, imagine the sway of Hawaiian music or the festive beat of a Mariachi band as you celebrate an evening theme party. Now, wherever you are, you can create perfect audio ambience with this superb COMPONENT-QUALITY portable stereo. From its awesome programmable CD Player to its non-stop Auto-Reverse Tape

to listen to his classical CDs while he works. And, Sandy programs her favorite jazz CDs and plays them softly as she types at her computer's keyboard. It's easy. You can program up to 16 tracks from any CD in any order you like. Simply enter your favorite songs to match your mood. You can repeat the entire CD, a single track or up to 16 programmed tracks for hours of listening enjoyment anywhere. And, wait till you hear the custom cassettes you can record directly from the CD player. You'll record just the songs you want in just the order you want them.

## CONTINUOUS CASSETTE EXCITEMENT

Forget flipping tapes. Now with the Auto-Reverse Deck, you can enjoy hours of romantic, soothing or rousing cassette music. It's great at parties, at work and during quiet times with your spouse. At home, my wife likes to listen to one of her custom 'Favorites' tapes (recorded direct-from-CD) as she prepares dinner. You can make your own custom cassettes for workouts with your personal stereo. And, you can record a stress-reducing opera for that long commute home.

## AMPLIFIED, EQUALIZED AND COMPONENT-READY

You'll experience incredible digital CD performance, non-stop cassette music and the latest news, sports and weather wherever you are. And, of course you'll hear your favorite songs from any AM or FM stereo broadcast with its 4" amplified full-range speakers. And, if you're like me, you'll refine your music and sculpt it to perfection with the built-in 3-band equalizer. Simply cut or boost each band  $\pm 10$ dB at 100Hz, 1,000Hz and 10,000Hz. Plus, you can select the proper bias for all your cassette recordings. The normal, CrO<sub>2</sub> and metal tape selection switch ensures perfect recordings every time.

And, look at this. You can unleash the Digital Moodmaker's CD sound through

your main stereo speaker system. Simply connect your main system's amp or receiver to the Digital Moodmaker's standard RCA CD-Out jacks (cables not included). Then, hold on to your seat. The Digital Moodmaker is just 6¼"H. x 24½"W. x 6"D. It's AC and battery operated (D-cells not included). And, it's backed by DAK's standard warranty.

## SET THE MOOD ANYWHERE RISK FREE

Relax to the sound of a jazz solo as you finish a report in your office. Lift your spirits high with an 'oldies' favorite as you work on your car. And, drift off to sleep in your bedroom with a favorite CD.
